Chronology Of Events Leading To Riots In North-East, Delhi –

- 1. Incident of violence at Jamia Millia University Road on 13.12.2019:-** That on 13.12.2019, without obtaining any permission, initially 2000 persons including some students, local residents etc. gathered near the Jamia Millia Islamia Metro Station for moving to Parliament of India. When the police, in order to prevent any breach of peace, cordoned off them at Gate Number 1 of the Jamia Milia University Road by putting barricades, they became violent and started pelting stones on the police party, which resulted into injuries to more than 15 police personnel. The violent mob also broke private vehicles parked on the road, burned tyres on the road, damaged police barricades and damaged the public property by breaking the dividers and railing of the road. In this incident, 25 public persons, 20 police officials were injured and lot of property was damaged.
- 2. Incident of violence at various roads of NFC:-** That subsequently on 15.12.2019, some students of Jamia Millia University including some passed out students [former students] and some persons having allegiance to political parties & their local supports assembled in large numbers at Jamia Millia University for protesting against the newly enacted Citizen Amendment Act and NRC (National Register of Citizens) and will go to Parliament House and President House. The agitating mob moved from one road to other, when prevented to move and was indulged in stone pelting on public and police party. Since there are many interconnected roads/lanes within the NFC area,

the mob taking advantage of that, started hopping through the streets and lanes and started gathering at CV Raman Marg, Bharat Nagar, where they became more violent and set ablaze buses and badly damaged other buses by pelting stones. 2 Public persons, 10 Police officials were injured and 05 Police Barricades were damaged, 12 (Including 06 DTC Buses) were burnt and 29 (Including 10 DTC Buses) and damaged.

3. **Incident of violence at Jamia Millia University on 16.12.19:** some part of the above agitating mob, slowly retreating back, instead of dispersing, strategically went inside the Jamia Millia University campus and by using the university campus as a cover started pelting stones, tube-lights and all other hard and blunt objects which could create a grievous hurt if hit, from the garden and building area of the university campus. The rioters positioned themselves in a way so as to ambush the riot control unit of the police force. This unlawful assembly reached near Jamia Millia Islamia University gate Number-4, 7&8 at around 17:30-18:00 hrs and blocked the traffic movement. Further all throughout, they were raising extremely provocative slogans. They also started damaging the vehicles parked on university road. With a view to contain the violence and protect any aggravation in the situation, the police was constrained to enter the university campus. The police personnel could successfully contain the violent activity by temporarily apprehending 52 persons under Section 65 of the Delhi Police Act. 97 Public persons, 35 Police officials were injured and 03 Police booths, with furniture were damaged.
4. After the incident of 15/12/2019, a committee in the name of Jamia Coordination Committee comprising of old pass out students, some students of Jamia University, Teachers and local residents of Jamia was constituted by the protestors to keep the protest alive. Since 16/12/2019, the protestors have blocked one carriageway in front of Jamia University near Gate No. 7 of JMI University and since then they are sitting on the protest round the clock and other side of the road has been divided using rope and being used for travelling by the commuters. The Jamia Coordination Committee had been calling the several leaders/ persons claiming to be activists/film actors/writers etc. to address the protestors. The below mentioned leaders/activist have visited the Protest Site of Jamia University and delivered hate speeches to provoke the general public to show their strength. Mr. Sharjeel Imam (JNU Student), who visited the site and provoked the protestor on 14/12/19 to block all the metro cities in north India until CAA/NRC is rolled back by the Government and after that riots incidents broke out in area of NFC and Jamia Nagar, Mr. Harsh Mander, who visited the site on 16/12/19 and instigated the protestors to not have faith in the Supreme

Court and to fight their battle on road to get justice. He, however, used a façade of peach in a part of his speech and Sh. Chander Shekhar Azad (Leader of Bheem Army), who visited the site on 22/12/19, who instigated the protestors to remain on road, until CAA/NRC/NPR is rolled back by the Government, are some of the speakers giving hate speeches.

5. **Shaheen Bagh Protest:-** Since December 15, 2019, Road No. 13-A Shaheen Bagh had been blocked by the protestors,. Protestors were not allowing any commuter & vehicle to ply/travel on this road, thus causing inconvenience to more than lac of commuters daily using the road regularly.

6. **Systematic Encroachments and Blockage of Main Roads:-** After the above incidents, the people from other areas of Delhi, in a calculated and orchestrated way replicated the same method of protest i.e. by blocking main roads in other parts of Delhi also. On 17.12.2019 violent/unruly mob started pelting stones on police personnel in the area of PS: Jafarabad, (North East Delhi) damaging properties and injuring police and public. Thereafter, since 15.01.2020, protesters illegally and without any permission encroached 07 different places in North-East District under the guise of staging protests. The said illegal encroachments and illegal occupation of the areas for protest and their continued presence on the public streets, continuous sloganeering through mics/loudspeakers and large gatherings especially during late evening hours not only caused incalculable inconvenience to the commuters and residents but also created an extremely tense and polarised atmosphere in the area. 20. The riots occurred in North East Delhi, one or two days prior to the visit of US President Donald Trump to India on 24th, Feb, 2020 is not a mere co-incident, it was planned to tarnish the image of the country in the international arena. As one group of the Muslim community was aware of the fact that the whole system would be busy handling arrangements for Trump's visit to Ahmedabad, Gujrat on 24th & 25TH of Feb, 2020, hence the timing of riots just prior to the visit of the Head of a Nation smells of a very big conspiracy behind it.

E-140A, GALI NO.06, KHAJURI KHAS DELHI, AGE-48 YRS MOB.NO.9868668638 ब्यान किया कि मैं पता उपरोक्त पर अपने परिवार के साथ रहता हूँ। मेरे अलावा मेरे परिवार मे मेरी पत्नि व मेरे दो लडके रहते है। जिनमे बडे का नाम अंकुर व छोटे का नाम अंकित है। जो अंकित भी मेरे ऑफिस में ही सरकारी काम करता है। भजनपुरा से करावल नगर जाने वाली मैन रोड पर चाँद बाग पुलिया पर CAA के विरोध व समर्थन में पिछले कई दिनों से हिंसक विरोध प्रदर्शन चल रहा है। जिसमें दोनों तरफ से लोगों में आपस में पत्थर बाजी, आगजनी और हथियार से फायरिंग भी हुई। मौजूदा निगम पार्षद ताहिर हुसैन का ऑफिस भी चाँद बाग पुलिया के पास है। जो इसने ऑफिस में गुण्डों को इक्टठा करके रखा था, जो आफिस के ऊपर से फायरिंग, पेट्रोल बम फेंके और पत्थर बाजी की जिससे तनाव और आम पब्लिक में भय का माहौल पैदा हुआ। जो दिनांक 25.02.2020 को

मेरा लडका अंकित ऑफिस से आकर करीब 5 बजे शाम को घर का सामान लेने के लिए घर से बाहर गया था। जब काफी देर तक नहीं आया तो हमने अपने तौर पर आस पास तलाश की। फिर हम खजूरी थाने, दयालपुर थाने में, आस पास के हॉस्पिटल में ढूँढने गये पर कुछ पता नहीं चला। पूरी रात इन्तजार के बाद आज हमने अंकित की गुमशुदगी की रिपोर्ट दर्ज करायी। फिर मुझे आस पास के लडकों से पता चला कि मेरा लडका पास के रहने वाले कालू और एक अन्य लडके के साथ गया था। जब हमने कालू के बारे में पुछताछ की तो भीड़ में से किसी से पता चला कि चाँद बाग पुलिया की मस्जिद से किसी लडके को मार कर चाँद बाग नाले में ऊपर से फेंका गया है। जो ये खबर मिलने पर दयालपुर थाने को सूचित किया गया, जहाँ दयालपुर थाने की पुलिस से, अन्य पुलिस बलो और गोताखोरों की मदद से नाले में तलाश करायी तो मेरे बेटे अंकित की लाश सिर्फ अंडरवियर में बरामद हुयी, जिसके सिर, चेहरे, छाती, पीठ व कमर पर तेज धार हथियार से मारी गयी चोटों के निशान थे व चेहरे और अन्य बोडीपार्टस पर तेजाब नुमा चीज से जलाकर पहचान छिपाने की कोशिश की गयी थी। जो लाश को निकालकर पुलिस के साथ मैं और अंकित का मामा सुधीर, GTB HOSPITAL लेकर गये। जहाँ डॉक्टरों ने उसे मृत घोषित कर दिया। फिर हम दोनों घर चले आये। अब थाने आकर आपको अपना ब्यान दे रहा हूँ। मुझे पूरा यकीन है कि ताहिर हुसैन और उसके द्वारा उसके आफिस में इकट्ठा किये गये लोगो ने ही मेरे बेटे की हत्या की है और मस्जिद से नाले में फेंका है। इन लोगों के खिलाफ कानूनी कार्यवाही कि जाये। आपने मेरा ब्यान लिखा जो कि सुनकर समझ लिया, ठीक है। Sd English RAVINDER KUMAR Dt-26/02/2020 Attested INSP. In the intercepted conversation, the accused Haseen has also disclosed that he had alone killed the person. However there is no method to assess the truthfulness of the recorded conversation. 50. That the accused Tahir Hussain was leading the mob from his house and also from the Masjid near Chand Bagh Pulia on 24 & 25.02.2020 and gave it a communal colour. He provoked and instigated the Muslims against Hindus saying that Hindu people has killed a number of Muslims and has set fire in their shops at Sherpur Chowk and let no Hindu go scot free. On his provocation/ instigation, the Muslims turned violent and became volatile on 24 & 25.02.2020 and started burning the shops and pelting stones and petrol bombs on the Hindu people and also targeted their houses. The uncontrolled mob turned into rioters and in the process of rioting caught hold of Ankit Sharma and dragged him to Chand Bagh Pulia and caused his death by inflicting injuries using sharp and blunt objects/ weapons and threw his dead body in the nala.
51. During the course of investigation, the photographs of various persons/ suspects/accused persons arrested in other riot cases including arrested persons of the present case also were shown to various public persons and witnesses. About 36 photographs of various persons/ suspects/accused persons arrested in other riot cases and of the present case were shown to the public persons and the witnesses of this case also. In the process of identification, the witnesses, Pardeep Verma and Shamshad Pradhan had specifically identified five accused persons namely Anas, Firoj, Javed, Gulfam and Shoaib Alam as mentioned at Sl. No. 11 of the Charge Sheet after seeing their photographs, who were involved in the act of rioting and arson on instigation of accused Tahir Hussain. The witness Vikalp Kochar had correctly identified the accused Tahir Hussain and told that he is the Municipal Councillor of the area and told about Anas that he was also present among the rioters/ accused persons who were involved in the act of murder of Ankit Sharma and the witness further stated that the accused Haseen had killed Ankit Sharma along with others. The statements of the witnesses regarding the identification of accused have been recorded to this effect. The photographs of all 36 persons, which were shown to the public persons and the witnesses, have been placed on file. Because of chance identification of accused persons by the witnesses, the accused persons were not subjected to Judicial TIP.
52. During investigation, it revealed that the accused Tahir Hussain had got issued a licensed pistol and 100 rounds and he had deposited his pistol in the Police Station Khajuri Khas on 07.01.2020, but he had got released his pistol from the Police Station Khajuri Khas

on 22.02.2020 before these riots for the purpose of using the same in the riots. Upon being interrogated, on this score, accused Tahir Hussain failed to give a satisfactorily reply regarding release of his weapon from the concerned Police Station. The fact regarding the release of pistol one day prior to these riots have been verified from the record of concerned Police Station Khajuri Khas and the concerned record has been placed on file. The pistol and live and fired cartridges have been seized by the SIT, Crime Branch in its Case FIR No. 101.20, PS Khajuri Khas, Delhi. To verify the firing by this pistol in the riots, the same has been sent to FSL on 09.03.2020 vide Receipt No. SFSL(DLH)/2195/BAL/478/20 in Case FIR No. 101.20, PS Khajuri Khas vide Receipt No. and the report is awaited.

53. On 25.02.2020, it revealed that from the crowd, some Muslims boys namely Tanvir and Gulfam opened fire at Hindu people causing hurt to one Ajay Puri Goswami. In this regard a separate case vide FIR No. 88/2020 was registered at P.S. Dayalpur, Delhi and both the above said accused have been arrested in the said case.
54. During investigation, it came on record during the analysis of CDR of Mobile number (9810363925) of the accused Mohd. Tahir Hussain that he had made several PCR calls on 24.02.2020 & 25.02.2020. In this regard, the record of PCR calls was checked. As per CDR analysis, six PCR calls were made by the accused Tahir Hussain on 24.02.2020 between 2.50 PM and 6 PM and six PCR calls were also made on 25.02.2020 between 3.50 PM to 4.35 PM. On checking of PCR calls, it was found that only 4 PCR calls made by Tahir Hussain on 24.02.2020 had been connected to Police Control Room, while the remaining calls could not be connected due to reason mentioned as IVR key not pressed. Out of 4 calls, three calls had been diverted to PS Dayalpur for local police action and one call had been diverted to PS Karawal Nagar. The concerned Emergency Officer of PS Dayalpur, who had attended the PCR calls, was examined. During investigation, it revealed that there were thousands of people standing on both side of the Main Karawal Nagar Road from Chand Bagh Pulia to Sherpur Chowk. Police Force which was very less in number in comparison to the rioters, could not reach there on receipt of calls. It was quite late in the night when the staff from PS Dayalpur reached at the spot in front of Tahir Hussain's house. At that time, the accused Tahir Hussain was present in front of his house. The shops and a few houses adjoining to Tahir Hussain's house had been burnt. No damage had been caused by the rioters to Tahir's house and none of his family members had sustained injuries. The location of Tahir Hussain near Jama Masjid, Munga Nagar, Delhi on the spot where Ankit Sharma was brutally murdered by the rioters/ accused persons on 25.02.2020 at about 5-5.30 PM speaks of his evil intentions which ended with the murder of a Hindu boy besides other cases of arson and loot.

64. During the course of investigation, the statement of two witnesses namely Pardeep Verma and Bharat @ Kalu were got recorded before Magistrate u/s 164 CrPC. The statements of both the witness Pardeep Verma and Bharat @ Kalu are as follows, **“Statement of Witness “Pradeep Varma” u/s 164 Cr.P.C”**, मैं एक साल से पार्किंग का धंधा कर रहा हूँ E-98, खजूरी खास इलाके मे 23.02.2020 को शाम 8 बजे चाँद बाग के नाले पर 1000-1500 लोग खड़े थे और मैं अपने पार्किंग के गेट पर खड़ा था!

As per the statement of the witnesses recorded by the Magistrate u/s 164 CrPC, it was established that Tahir Hussain was provoking the rioters/ accused persons against the Hindus and on his provocation, the rioters were pelting stones, petrol

bombs, acid bombs and were firing at the Hindus and were setting ablaze their shops. On provocation by Tahir Hussain, a group of rioters/ accused persons caught hold of Ankit Sharma and killed him. The witness Pardeep Verma has stated that he has identified 5-6 accused persons on seeing their photographs shown by the police.

65. The investigations have revealed that there were petrol bombs, acid packets, stones, catapult found on the roof and in the building of Counsellor Tahir Hussain in Chand Bagh area and at the roof of Rajdhani Public School near Shiv Vihar Tiraha. There were instances of intermittent firing probably by country made arms as a number of people including one police personnel sustained gunshot injuries. Besides arms, the mob was carrying lathi, danda, baseball bats, hockey sticks and even carrying sharp edged weapons which resulted in inflicting blunt and sharp/fatal injuries to the victims as well as to the police personnel. All the above circumstances indicates that the riots took place in a planned manner resulted from a well hatched conspiracy. During investigation, it was also revealed that the accused Tahir Hussain was in touch with Khalid Saifi who is connected with Unite Against Hate Group. Tahir Hussain was also connected to Umar Khalid through Khalid Saifi. Khalid Saifi had arranged Tahir's meeting with Umar Khalid on 08.01.2020 at Saheen Bagh. In that meeting, it was decided to have a big blast so that the Central Govt. could be shaken on the issue of CAA/NRC and so as to defame the country in the international arena. In the meeting, Umar Khalid had assured not to bother about the fund as PFI organization would also be ready to provide fund and logistics for these riots. These riots were planned to be happened during or prior to the visit of US President Donald Trump in the month of February, 2020. For this, all necessary logistics and manpower were arranged prior to these riots and a number of people from U.P. West had been called before these riots for the purpose of riots in Delhi at a large scale. However, a separate case vide FIR No. 59/2020 dated 06.03.2020 for the conspiracy to these riots has been registered by Special Cell and is under investigation.
66. **Conspiracy Angle** – The facts as emerged during the course of investigation points to the conspiracy of vast scale riots hatched by main accused Tahir Hussain. He is a politician of AAP party and the present Counselor in EDMC and is a prominent face in his locality.
- (1) Tahir Hussain had installed CCTV Cameras in his office at the first floor in the same building to keep a check or eye on his employees and visitors. During physical

inspection of his building, four DVRs had been seized by the police and had been sent to FSL to retrieve the footage from the DVRs. As per the report provided by FSL, there was no recording/ footage available after the month of January,2020 in any of the DVRs. This aspect points to his involvement in hatching the conspiracy of a large scale riots in collusion with other accused persons.

(2) Releasing of his pistol from PS Khajuri Khas just before the commencing of riots and unaccounted remaining cartridges and used empty cartridges. Tahir Hussain had got released his pistol on 22nd of February, 2020 from PS Kahjuri Khas just one day prior to the commencing of riots also smell of a big conspiracy behind these riots. During interrogation, even he could not give account of his 100 cartridges which he had got issued on his license. Only 64 live cartridges and 22 empty cartridges were recovered at his instance. During interrogation, he could not give account of the remaining 14 live cartridges and 22 empty/ fired cartridges, when and where the same were fired/ used. The pistol and live and fired cartridges have been seized by the SIT, Crime Branch in its Case FIR No. 101.20, PS Khajuri Khas, Delhi. To verify the firing by this pistol in the riots, the same has been sent to FSL on 09.03.2020 vide Receipt No. SFSL(DLH)/2195/BAL/478/20 in Case FIR No. 101.20, PS Khajuri Khas and the report is awaited. Releasing of pistol just before the incident and unaccounted/ used empty cartridges again points towards his role in conspiracy and active participation in these riots.

(3) Recovery of several empty crates which holds glass bottles and several crates containing glass bottles having some liquid filled in them and their necks stuffed with clothes which were used/to be used as Molotov, large amount of bricks and stone pieces, sling shots from the house of accused Tahir Hussain again points towards his active and lead role in conspiracy and executing in these riots.

(4) That despite scores of rioters present in the building and at the roof top of Tahir Hussain' house at the time of incident, and destroying, looting and setting ablaze to the adjoining houses/shops of Hindu community by them, but his own house/ building remained completely untouched by the rioters, again points out that the rioters were known to him and they had been called to execute these riots as per conspiracy. The presence of rioters in the building of Tahir Hussain and Tahir Hussain's proximity with the rioters can be seen in the videos received through unknown sources speaks of his intentions behind these riots.

(5) That in the intervening night of 24/25.02.2020, the accused Tahir Hussain had removed his family and shifted them to his parental house at Mustafabad for the reason of safety and security (as per his version) but he rather moving away from the place, kept on staying there so that he could keep an eye on the whole situation and stand with the Muslims against the Hindus on the next day as per plan and criminal conspiracy. His call locations of 25th of Feb., 2020 prove his version to a great extent.

(6) The above act of Tahir Hussain shows that the preparations had already been going on for these riots. All necessary logistics and manpower were arranged prior to these riots and a number of people from U.P. West had been called for this purpose to execute these riots at a large scale. Besides this, his subsequent conduct of remaining absconded for 10 days after the incident, while he was on National News and police was searching for him everywhere, are also relevant facts as per the section 8 of Indian Evidence Act.

67. Dump analysis of the spot is being done. The investigation regarding the dump data is continuing. The outcome of dump analysis will be submitted through Supplementary Charge sheet.
68. During the course of investigation, efforts were made to trace the remaining accused, but they are absconding. The certified copy of Interception order from GNCT Delhi has been collected and placed on file.
69. Sanction of GNCT, Delhi for prosecuting the case against the accused persons u/s 153-A IPC is being sought. The same will be submitted through Supplementary Charge sheet u/s 173.8 CrPC.
70. This way, the accused persons, in furtherance of criminal conspiracy committed the act of riots in the area of PS Khajuri as well as PS Dayalpur and the sense of terror was created in the mind of general public. They not only mobilized the mob into a group of rioters by way of provoking their religious feelings, but also provided them logistics support like lathis, dandas, stones, acids, knives, swords, firearms, pistols etc. for committing riots in the area and to eliminate the members of other community. It has been established beyond doubt that accused persons have hatched a well designed conspiracy and they were already prepared and in mood to commit the riots to cause maximum damage to the other community. Accused Tahir Hussain, who was holding

the post of Municipal Councilor, gathered the mob on the basis of religious sentiments, facilitates them with his rooftop of his building and provided other logistics support to cause maximum damage to other community. He got released his licensed weapon from PS Khajuri Malkhana prior to one day of riots, which indicates that he was well prepared and in mood to commit riots in the area. Other accused persons were also well known to him as well as to each other and most of them are close relatives to each other and well known to each other prior to these riots. Due to which, meeting of minds took place very quickly and on the basis of logistics support as well as support extended by a public representative like Tahir Hussain involved them to commit heinous offence to the extent of murder of a young IB Officer, namely, Ankit Sharma. The 51 sharp injuries on the body of deceased Ankit Sharma caused by sharp edged weapon as well as blunt object clearly indicates that how the cold blooded rioters brutally killed him in furtherance of a well hatched conspiracy. These kinds of incidents have shaken the social fabric of the society and a sense of fear in the mind of the residents of the area, particularly in North-East Delhi and generally all over the country. These kinds of brutal crimes deserve maximum exemplary punishment as prescribed by the stature to create sense of faith in rule of law in the mind of common citizens.

From the investigation conducted so far, and from the statements of the witnesses and other evidences on record against the accused persons, there are sufficient evidence against the accused namely Anas, Firoj, Javed, Gulfam, Shoaib Alam, Haseen @ Mulla ji @ Salman, Mohd. Tahir Hussain, Nazim, Kasim and Sameer Khan mentioned at Sl. No. 11 to charge sheet them u/s 109/114/147/148/149/436/153-A/505/365/302/201/120-B/34 IPC. Hence they are being charge sheeted under relevant section of law. It is further submitted that the Charge Sheet against the accused persons mentioned at Sl. No. 11 from 1 to 10 has been prepared and the same is being filed before the court for conducting trial. The FSL reports are not ready. The same will be filed in the court through Supplementary Charge Sheet on its receipt. The investigation qua other accused persons is still pending. The investigation pertaining to absconding accused persons, remaining suspects along with outcome of scientific evidence collected during investigation is still pending and after receiving of FSL reports/ completion of investigations regarding remaining accused, investigation regarding outcome of dump analysis and regarding Sanction of GNCT, Delhi for prosecuting the case against the accused persons u/s 153-A IPC, a detailed supplementary charge sheet will be filed u/s 173.8 CrPC. All the accused persons are in judicial custody. The witnesses and the accused persons be summoned as per law.

In view of the same, it is humbly prayed that the cognizance may be taken into the matter and trial be conducted accordingly.
